

# Aluminate / *Engagement Platform*

Aluminate creates meaningful relationships across **all** of your communities.

Connect members, alumni, students, staff and even prospective students within a single highly configurable platform.

**Fully branded** so that your members feel completely at home within a trusted space.

**Powerful data and sign-on integrations** through our formal relationships with LinkedIn and Blackbaud and membership of UK Federation.

**Incredible flexibility** to define your own wording, data fields and visibility models.

# Aluminate is the most powerful and flexible multi-constituency engagement platform available

Fully branded with your logo, images and colour scheme

## The Dashboard

- 1 Attractive, ever-changing landing page highlighting new activities and information.

## The Directory

- 2 Search for members, filter by various options and send private internal messages.

## Alumni Map

- 3 Powerful worldwide interactive map capable of plotting your entire membership.

## Digital Library

- 4 Fully flexible repository of any digital media you want to share: photos, links, documents, articles and videos.

## Events Board

- 5 Showcase your events in an attractive board with flexible filtering.

## Jobs Board

- 6 Curate exciting opportunities for your members and sign-post them to apply.

## Mentoring Network

An open, highly efficient peer-to-peer mentoring network where mentors and mentees can freely connect with minimal staff resource. Mentors define their specific availability from a customisable list of interactions.

## Advanced Mentoring Programmes

Launch multiple focused mentoring programs where you have staff resource to fully approve mentor applications and mentee connection requests.

## Ambassadors

Allow prospective students or 'offer holders' to connect with approved Student or Alumni Ambassadors. Designed to greatly improve arrival rates, especially from international students.

## Chapter Management

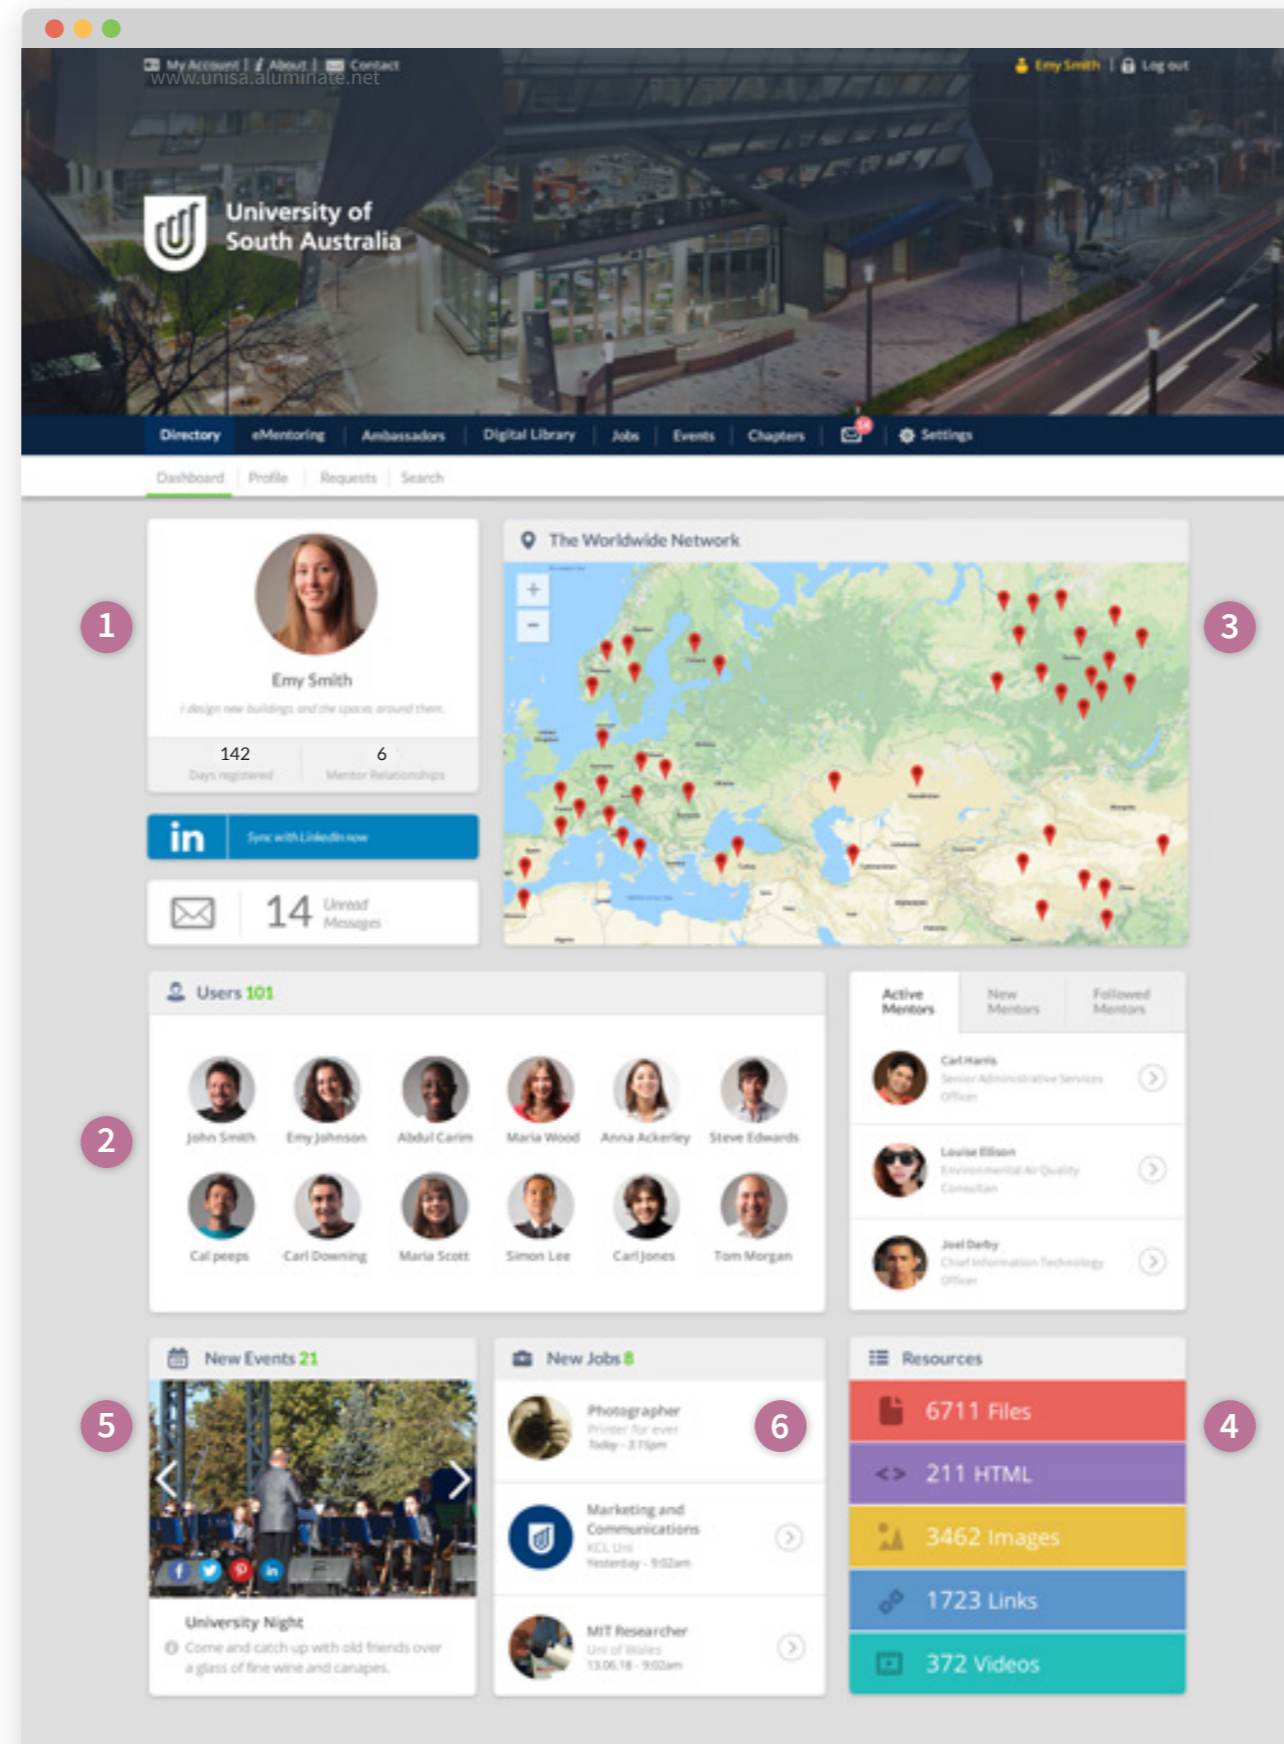

Manage groups based around region or interest. Appointed leaders can help you manage group membership, content, discussions and events. Every chapter can publish a privacy protected, Google searchable page.

## LinkedIn Integration

Users may keep their profiles up to date by pulling all essential data from their LinkedIn profiles.

## Reports and Monitoring

Manage your platform from a secure management portal to view statistics on activity, connections and to export all data collected.

# Aluminate Roadmap

Aluminate is an ever evolving platform with new modules emerging every year. A taste of what's to come...

## New Aluminate Version 7

A major platform update with a refreshed new look, increased flexibility for customisation and exciting new features that will further enhance usability.

## Travel Network

A peer-to-peer network of 'travellers' and 'hosts', enabling individual members to volunteer specific assistance to today's ever mobile community. Need accommodation advice in Shanghai or want a venue recommendation in Buenos Aires?

## Volunteer Management

An institution-wide management tool to allow consistent and properly stewarded management of volunteers. Members self-identify what roles they are interested in and then departmental volunteer managers can recruit from this pool, overseen by appropriate central management.

Excited by the potential of Aluminate?
